FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant has been charged with a drug offense, the maximum penalty of which is in excess of ten years. There is therefore a rebuttable presumption against defendant as to both dangerousness and flight risk, under 18 U.S.C. § 3142(e).

2. In the instant case, defendant is alleged to have sold two firearms to undercover agents and to have been on his way to a drug deal when arrested with a third firearm. Defendant has a lengthy criminal history that includes multiples failures to appear with bench warrant activity. Defendant's proposed residence is with his girlfriend, but she is reported to also have pending unrelated criminal charges and bench warrant activities. Defendant is alleged to have admitted active membership in a gang.

3. Taken as a whole, the record does not effectively rebut the presumption that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

It is therefore ORDERED:

1. Defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
2. Defendant shall be afforded reasonable opportunity for private consultation with counsel;
3. On order of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection

01 with a court proceeding; and

- 02 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel  
03 for the defendant, to the United States Marshal, and to the United State Pretrial Services  
04 Officer.
